

## Calm after the storm

[Intro]

A

[Verse]

A

Driving in a fast lane

F#m

Counting mile marker signs

D

The empty seat beside me

A

Keeps you on my mind

A

Living in a heartache

F#m

Was never something I pursued

D

I can't keep on chasing

A

What I can be for you

[Chorus]

A

Ooooh skies are black and blue

F#m

D

Thinking about you

A

Here in the calm after the storm

A

Here in the calm after the storm

[Verse]

A

Tears on a highway

F#m

Water in my eyes

D

This rain ain't gonna change us

A

So what's the use to cry

A  
I can say I'm sorry  
F#m  
But I don't wanna lie  
D  
I just wanna know if staying  
A  
Is better than goodbye

[Chorus]  
A F#m  
Ooooh skies are black and blue  
D  
Thinking about you  
A  
Here in the calm after the storm  
A F#m  
Ooooh after all that we've been through  
D  
There ain't nothin' new  
A  
Here in the calm after the storm

[Solo]  
A F#m D A

[Bridge]  
A F#m  
Maybe I can find you Down this broken line  
D A  
Maybe you can find me I guess we'll know in time

[Chorus]  
A F#m  
Ooooh skies are black and blue  
D  
Thinking about you  
A  
Here in the calm after the storm  
D  
There ain't nothin' new  
A  
Here in the calm after the storm
