

[Intro]

**Am** | **F** | **C** | **G** |

[Verse 1]

**Am**

We had a plan, move out of this town baby

**F**

West to the sand, it's all we talked about lately

**C**

I'd pack the car, bring your guitar, and Jane for smoking

**G**

First thing at dawn, you'd queue the songs and we'd get going

[Verse 2]

**Am**

But you weren't home, waited on the porch for ya

**F**

Sat there alone, all throughout the morn' till I

**C**

Got a hunch down in my gut and snuck around the back

**G**

Empty cans and I'll be d\*mned, your sh\*t was never packed

[Chorus]

**Am**

Did your boots stop working? Did your truck break down?

**F**

Did you burn through money? Did your ex find out?

**C**

Where there's a will then there's a way

And I'm d\*mn sure you lost it

**G**

Didn't even say goodbye, just wish I knew what caused it

**Am**

Was the whiskey flowing? Were you in a fight?

**F**

Did the nerves come get you? What's your alibi?

**C**

I made my way back to L.A. and that's where you'll be forgotten

**G**

In 40 years you'll still be here, drunk washed up in Austin

[Break]

**Am | F | C | G**

[Verse 3]

**Am**

H\*ll of a bluff you had me believing

**F**

How many months did you plan on leaving?

**C**

What happened? Bad habits? Did you go back? Go batsh\*t

**G**

I loved you, how tragic ohh

[Chorus]

**Am**

Did your boots stop working? Did your truck break down?

**F**

Did you burn through money? Did your ex find out?

**C**

Where there's a will then there's a way

And I'm d\*mn sure you lost it

**G**

Didn't even say goodbye, just wish I knew what caused it

**Am**

Was the whiskey flowing? Were you in a fight?

**F**

Did the nerves come get you? What's your alibi?

**C**

I made my way back to L.A. and that's where you'll be forgotten

**G**

In 40 years you'll still be here, drunk washed up in Austin

**Am | F | C | G**
